**Annual Report 2010-11**

Dear Friends of Rocky Hill School,

There is no more important way to support Rocky Hill School than through annual contributions of time and resources. This report of volunteer leadership and giving is just one way of recognizing the significant accomplishments of the 2010-11 school year. I know you will join me in taking pride in how the Rocky Hill School community has supported our students and faculty with countless hours of volunteer service and generous financial contributions.

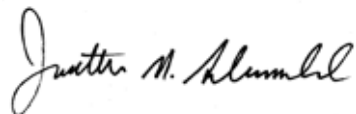

As the new Head of School, I have been enormously impressed by the personal commitment of all who make the School so special. Parents, faculty, students, alumni, trustees and friends believe in and support Rocky Hill in countless ways. Between the School's rich history and our efforts today, I know we will continue to grow and flourish.

Last year, Rocky Hill underwent a significant transition with the departure of longtime Headmaster James J. Young III '70. Today, I applaud the entire community for its efforts in not only steering that transition process, but also for maintaining a strong sense of spirit. I was fortunate to attend the *Celebration by the Bay* event hosted by the Parent Teacher League (PTL) in May and was overwhelmed by the outpouring of support demonstrated that evening. Your efforts last year also helped establish the James J. Young III '70 Carpe Diem Award in Science, an endowed fund that will not only honor Jim, but will support the sciences for years to come. As you read through this report, I hope that you will feel proud of Rocky Hill—your school—and thus inspired to join us as we move forward.

I want to thank all of you who supported our students and faculty 2010-11 and made Rocky Hill a priority in your giving of both time and financial resources. This commitment and generosity reflect the true nature of our family-oriented school community.

I look forward to a successful, exciting and invigorating rest of the school year.

Sincerely,

Jonathan M. Schoenwald, Ph.D.  
Head of School

# Volunteer Leadership

*Parents, alumni, faculty and friends of Rocky Hill share their time, talents and wisdom with us in ways that reflect a mutual commitment to the School's mission and students. The following names, along with many other classroom and event volunteers, represent thousands of hours of creative initiative and hard work. Your leadership inspires our community in countless ways.*

### CLASS OF 2011 PARENT GIFT

*In honor of the senior class, parents purchased 400 chairs and storage racks for use at Commencement and other events. A plaque was mounted in Campbell Center stage and a name plate was placed on the backs of 39 chairs, one for each graduate. Parents raised \$9,475, exceeding their goal of \$8,000. The additional funds were added to the campus lighting project that the Class of 2011 supported with their class gift.*

Rocky Hill School does not discriminate on the basis of race, creed, color, gender, sexual orientation, age, handicap or national or ethnic origin in the administration of its admission, financial aid, employment, educational policies or other school programs.

Rocky Hill School would like to thank the entire community for making the 2010-11 school year a huge success. Parents, alumni and friends of the School donated thousands of volunteer hours to help strengthen our community and programs. In addition, more than \$580,000 was raised in gifts and pledges and participation numbers were outstanding. The Alumni Association elected a new executive board and is busy engaging alumni on many levels. The *Fall Classic* was a resounding success and our PTL hosted a record-breaking event, *Celebration by the Bay*, which netted more than \$100,000 to help purchase transformative software, technology and classroom equipment for all divisions and much more!

Our sincerest gratitude is extended to all of you. You truly impact the future of Rocky Hill by giving generously and sharing strengths as a community.
