

Follett Virtual Campus

Rocky Hill School is pleased to announce the selection of Follett Virtual Campus for our school's online bookstore. For more than 145 years, family-owned Follett has served the education market and will help ensure our students are ready for the first day of school with course materials in hand.

Our teachers have selected the course materials required for the upcoming school year, and the Follett team has worked to make the books available via our online bookstore.
