COUNTRY DAY SCHOOL

Rocky Hill Country Day School seeks a highly qualified Director of Development.

Rocky Hill Country Day students grow to become navigators, critical thinkers, citizens, and communicators, who are innovative, self-aware, ethical, and globally-minded through our focus on an interactive, inquiry-based educational experience, mindfulness, and meaningful relationships with adults on campus. Our multifaceted student body is made up of domestic and international students, and our intentionally small school community allows for individualized instruction and creates a familial setting throughout campus. Rocky Hill students and faculty wrestle with necessary, candid conversations in equity and belonging, both to build the school community we strive to have and to prepare students for the world they will shape. Overlooking acres of saltwater marsh on the magnificent coast of Narragansett Bay, Rocky Hill Country Day School's stunning campus fosters exploration and discovery for students in all divisions, nursery through grade 12. Rocky Hill Country Day School graduates are bold learners, prepared to navigate a complex and changing world.
