## COUNTRY DAY SCHOOL

### **Rocky Hill Country Day School seeks a highly qualified School Nurse for a 12-month position.**

Rocky Hill Country Day students build competencies in thinking critically, navigating the world ethically, and communicating intentionally in order to discover their full selves and use their wisdom for good. We focus on an interactive, inquiry-based educational experience, mindfulness, and meaningful relationships with adults on campus. Our multifaceted student body is made up of domestic and international students, and our intentionally small school community allows for individualized instruction and creates a familial setting throughout campus. Rocky Hill students and faculty wrestle with necessary, candid conversations in equity and belonging, both to build the school community we strive to have and to prepare students for the world they will shape. Overlooking acres of saltwater marsh on the magnificent coast of Narragansett Bay, Rocky Hill Country Day School's stunning campus fosters exploration and discovery for students in all divisions, nursery through grade 12. Rocky Hill Country Day School graduates are bold learners, prepared to navigate a complex and changing world.

#### **The School Nurse will:**

- provide clinical nurse services for the Nursery-12 student population.
- possess an understanding of child development and be familiar with, or be willing to learn, best practices and trends in nursing in an educational setting.
- design plans of care for students with life threatening medical conditions in consultation with their families and outside medical team.
- serve as the nurse for RHCD summer camp.
- possess strength in organization and attention to detail while serving as a model of confidentiality, collegiality, respect, and integrity.
- communicate with families about their child's healthcare needs, including tracking records and physicals.
- arrange for site based events such as hearing screening, flu clinics, and bloodborne pathogen training.
- serve as liaison with the RI Department of Health.

Candidates must be a Registered Nurse. This opportunity requires excellent strategies and skills in communication, collaboration, and organization with an appreciation for confidentiality, equity, belonging, and professional growth.
