

A photograph of four students walking and talking in front of a school building. From left to right: a young man with curly hair wearing a white t-shirt and a backpack; a young woman with long braids wearing a white long-sleeved shirt and jeans; a young man wearing a blue hoodie with 'ACADIA EST. 1953' printed on it; and a young man wearing a blue sweatshirt. The building behind them has white columns and green-framed windows.

## Welcome

Community. That's perhaps the most consistent response we received when we asked what people at Rocky Hill Country Day value most. And we all know it's never been more important than now. We Mariners question together, play together, learn together. From our youngest Nursery students to our oldest staff member, we model resilience, joy, and curiosity.

I invite you to join us!
